SUBJECT: JAMES F. GREGOIRE

Dear Ron:

Thank you for your letter of April 14, which gives us some more detail related to Mr. Gregoire. This certainly is adequate information for us to place him on our confidential file and maintain him there.

We do not feel he should be registered in the future and have set up a Confidential Record Sheet with as much information as you were able to give us previously.

We would like to know his race as this would help to identify him further, if you have this available. Any information related to his occupation would also be most helpful. Otherwise, we feel we have everything we need at this time.

Sincerely,

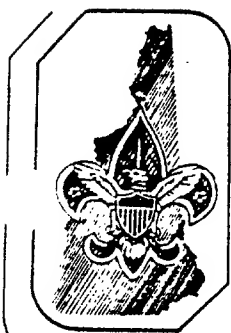

Paul Ernst, Director

Dear Paul:

In response to your recent inquiry regarding additional information on one James F. Gregoire:

- 1) Mr. Gregoire was tried and convicted on November 15, 1988. He was sentenced to 2 years probation during which time he was to participate in some type of official counseling for sexual offenders.
- 2) We have been advised that he has a history as a sex offender but that the juvenile records cannot be made available to us.
- 3) Gregoire is not now registered with the Daniel Webster Council, and I'm not at all sure that he ever was. We also do not have enough information on him to fill out a Confidential Record Sheet.

It's obvious that we can't terminate a registration that doesn't exist. However, we certainly do not want to take a chance that he might one day have an opportunity to do so. How do we handle this? Can you keep him in your file? Should we?

Dear Ron:

We appreciate the material you previously sent concerning the above named individual. We wondered if the legal action has now been completed related to his criminal trespass charges.

We would like to also know if there was any material which you could secure for previous charges against this individual.

Thanks for your help in completing the file.

p.s. We also need a Confidential Record Sheet which we would like to have completed with as much information as you have available. We are enclosing a sheet at this time.

Dear Paul:

Enclosed you'll find some material concerning a James Gregoire of Claremont, New Hampshire, and a William Sheehan of Concord. As far as I've been able to determine, neither man has been registered in Scouting here in New Hampshire, although it is believed that Sheehan has attempted to register as a merit badge counselor.

Of the two, Sheehan's would appear to be the more serious situation. According to news reports, he has jumped bail and there is an A.P.B. out on him. I will keep you posted on each but felt that we have enough at this point to warrant their being placed in the Confidential File.

Dear Tom:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,
